Dear Dean and Martha:

Edith and I want to personally write you to commend you for your courageous stand and to just let both of you know that you certainly have been on our thoughts for these past few days.

We are very grateful and proud to have you as President of Mississippi State University, and we think your record of bringing the quality of our school up will long be remembered.

We consider it a privilege to have come to know you as friends since you moved into our community. If there is any way we can help in the days ahead, please call on us.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Paul'.
